Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Attendance as requested required.
- May experience moderate stress.
- While performing the duties of this job, the employee is regularly required to:
 - sit, stand, bend, walk, talk, or hear.
 - remain in a stationary position with prolonged periods of sitting, standing, or walking.
 - move about to accomplish tasks or move from one worksite to another.
 - communicate with others to exchange information (face-to-face, listen, talk, type, etc.).

- use hands to finger, handle or feel; reach with hands and arms; and balance.
- use a computer keyboard for long periods of time, repeating the same movements (using wrists, hands, and fingers).
- lift and/or move medical equipment/files.
- Specific vision abilities required by this job include close vision and color vision for reviewing/verifying data on physical documents and computer applications.

Work Environment

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- The noise level in the work environment ranges regularly from quiet to loud.

DISCLAIMER

Cooperative, positive, courteous, and professional behavior and conduct is an essential function of every position. All employees must be able to work with others beyond giving and receiving instructions. This includes getting along with co-workers, peers, and management without exhibiting behavior extremes. Job functions may require personal leadership skills such as conflict resolution, negotiating, instructing, persuading, speaking with others, as well as responding appropriately to job performance feedback from the supervisor. Additionally, the information contained in this job description has been designated to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to this position.
